SYRUP PECTORAL

II FI INVITE ATTENTION to some of the most en PECTORAL SYRUP.

They are at home, and any one who has doubts can juite of the person who have been cured by it. DR. REYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL PHOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years anding cured by DR. KEYSER'S PECTORAL SYRUP

Dn. Krymn:—My wife has been affileted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Byrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire astisfaction with the medicine, and you are at liberty to publish this if you dealer to do so.

Alderman Fifth Ward. TITTHSURGH, Jan. 13, 1860.

Pritsboron, Nov. 18, 1856.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribe hie to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may ir any manner be afflicted with coughs, solds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a second vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syruy it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully.

Yours, most respectfully, RDWARD J. JONES.

STRUBERVILLE, O., March 14, 1859

J. W. PRIOR.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Dr. Keyser—Dear Sir: Excuse the delay of my acknowledging the excellence of your Fectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with: I have uet used more than one half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am consident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATE. A GREAT CURE BY DR. KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight mouths. I employed the best physicians in the country, and my employed the best physicians in an even of the cough continued upalated until early in October. At that time I was advised to try your PEOTORAL COUGH. EXEUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of over getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

JOHN C. LITTLE, Peebles townhip.

PATTOR Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relative told me that be had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being abouteighty years old. I have no doubt the Fectoral saved his life.

JOHMN' GINNIS.

DR. KEYSEB'S PECTORAL SYRUP IN PLAIRS-DR. REYSER'S PROTORAL BIRDY IN ELLIAND-VILLE.—Please send me another supply of your valu-able "Pectoral Syrup," Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup," We have sold sixteen bottles last week, and are new entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairwhite, Pa., tell us they would not be without if in their families. In fact, all who use it once want in Yours, respectfully, J. S. WATTERSON & SONS.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed.

J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THAT COUGHING."—'How can I do it?! "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be despenise indeed." This is a speciasen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of the siege of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral," took it secording to directions, and in forty-eight hours we were master of the field, the chemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drocenseills Chipper, Dec. 14, 1859.
